Dear Adela,

This letter is in regards to the 8/25/14 compliance check of your Category B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)e All accessible electrical outlets are safely capped. (You need to install plastic safety caps on all exposed electrical outlets.)

☐ 110.5(1)n Has a minimum of one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. (You need to repair/replace the battery operated smoke detector in the main play room and need to install one in the back sick room.)

☐ 110.5(1)q All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. (You need to obtain a current vet check statement for your dog to be kept on file. If it has been more than a year since his last visit, a new appointment must be scheduled. These need to be renewed every year.)

110.5(2) A provider file is maintained and contains:

☐ 110.5(2)d An individual file is maintained for each substitute and contains: (You need to assemble a file for Selena. She also needs a current physician signed statement of health, and current certification in the mandatory reporter training.)

☐ 110.5(2)d A physician's signed statement of health of at the time of employment and at least every two years thereafter.

☐ 110.5(2)d Certification of two hours of approved training relating to identification and reporting of child abuse within 6 months of employment and repeated every 5 years.

110.5(8) Children's Files

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually. (You need to obtain a physician signed statement of health for several of your children's files.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before 10/14/14.**

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 10/14/14.
